THE POWER OF VISION:

The Church for the 21st Century

MARCH 23-24

MARINERS CHURCH

5001 Newport Coast Drive, Irvine, CA 92603

I pray that the eyes of your heart may be enlightened in order that you may know the hope to which He has called you, the riches of His glorious inheritance in His holy people, and His incomparably great power for us who believe.

Ephesians 1:18-19

THE POWER OF VISION:

The Church for the 21st Century

A Message from our Bishop, Bill Thompson

Come share in learning about the **Power of Vision**

with me. I want to personally invite you to our 2nd annual Kingdom Conference this March 2012. At the Kingdom Conference, we will learn how to build, piece-by-piece, ministry based on God's vision as our speakers and teachers give us tools for our next steps forward.

Are you ready? Are you committed to God's vision? Are you His?

Come! Join the family of the diocese and learn to enter more fully into the Vision that is God's.

Keynote Speaker

THE RT. REV. MARTYN MINNS

Bishop Minns will challenge us to live God's vision and not the world's. Like a young boy hoisted on his father's shoulders, we need to be lifted up on God's shoulders

to catch the power of God's vision for a transformed world, to commit ourselves more fully to partner with Him in making it happen. Bishop Minns has been a key player in the formation of the ACNA and has been at the center of the world-wide spiritual movement known as GAFCON, gathering orthodox Anglicans in a united call to promote the truth and power of the gospel of salvation in Jesus Christ. Come and get a greater vision for what God is doing in our midst! Join Bishop Minns as he shakes his tambourine to awaken our senses in worshipping our transforming God.
